A finance company incurs heavy losses and makes an accountant redundant.

The accountant seeks a new job through an employment agency which specialises in jobs in accounting.

What describes the type of unemployment of the accountant who is seeking a new job?

- frictional
- В seasonal
- C structural
- technological D
- 20 An aggregate demand curve slopes downwards from left to right.

One reason for this is that a reduction in the average price level will lead to

- a decline in the country's international competitiveness.
- В an increase in interest rates.
- **C** an increase in the real value of money balances.
- the expectation of further price falls.
- 21 Which components are included as primary income in the current account of the balance of payments?

	trade in goods	current transfers	employment income from abroad
