	Hence find the exact solutions of the equation $3x^4 - 12x^2 - 15 = 0$.	
	Hence find the exact solutions of the equation $3x - 12x - 15 = 0$.	
	Hence find the exact solutions of the equation $3x - 12x - 15 = 0$.	
	Hence find the exact solutions of the equation $3x - 12x - 15 = 0$.	
	Hence find the exact solutions of the equation $3x - 12x - 15 = 0$.
